07th May 2020

REQUIREMENTS FOR SELECTION OF SUBJECTS FOR ADVANCED LEVEL
2022 BATCH

To qualify for A/L's, a minimum of 6 passes with three (3) C passes and passes in Sinhala/Tamil Language, Mathematics and English are required. Please read the note below very carefully before selecting the subjects.

NOTE

1. Students must offer six subjects, of which three subjects could be of their own choice selected from courses available in school. (given below). The other three subjects are General English, General Knowledge paper and General Information Technology (GIT) which are compulsory.
2. Students who have not obtained the minimum requirements specified for A/L s will not be admitted to the A/L class.
3. Students who have failed **Maths** are not permitted to do A/L's at school.
4. To do Commerce / Science in the **English medium** the student should possess an "**A**" **Pass** for English or should have studied in the English Medium.
5. To follow subjects in the Science Stream for A/L's the students should have obtained:
For Bio Science - An "**A**" pass in Science and at least a "**B**" pass in Maths.
For Physical Science - An "**A**" pass for Maths and at least a "**B**" pass for Science
6. To follow the Commerce **Stream** at least a "**C**" **Pass** is required both in **Maths and Business Studies**.
7. To study Business Statistics at least a "**B**" **Pass** is required in **Maths**
8. To follow Economics in the Art **Stream** (English/Sinhala) at least a "**C**" pass is required in Maths.
9. If students wish to offer **English Literature** as a subject for A/Levels, they should have obtained an '**A**' **Pass** in **English Language** and a '**C**' **Pass** for **English Literature** (student who have not offered English Literature for O/L's will not be permitted to offer English Literature for A/L's).
10. If a student does not have 80% attendance specified by the Education Department, such a student will not be permitted to sit the last term test and the withdrawal exam conducted by the school.

These are the combination courses available in School

Science Stream

(Sinhala, English, Tamil Medium)

1. Physics
2. Chemistry/ICT
3. Combined Mathematics/Biology

Please note that any student who selects ICT as a subject will be categorized as a “Non-Science” student, even though the other 2 subjects fall under the Science Stream

Arts Stream

(Sinhala Medium)

1. Logic/Political Science
2. Geography/Business Statistics/Mass Media
3. Economics/Religious Knowledge/ICT/

Arts Stream

(English Medium)

1. Economics/Business Statistics
2. Mass Media/French
3. English Literature/ICT

Commerce Stream

(Sinhala, English, Tamil Medium)

1. Economics
2. Accounting
3. Business Studies/Business Statistics/ICT

We strongly advise students and parents to choose their subjects very carefully according to their academic ability, their personal likes and dislikes, future education plans and chosen career.

Thank you

Sr. Deepa Fernando

The Principal

Holy Family Convent Bambalapitiya.
