

REQUIREMENTS FOR SELECTION OF SUBJECTS FOR ADVANCED LEVEL
2024 BATCH

To qualify for A/L's, a minimum of 6 passes with three (3) C passes and passes in Sinhala/Tamil Language, Mathematics and English are required. **Please read the note below very carefully before selecting the subjects.**

NOTE

1. Students must offer six subjects, of which three subjects could be of their own choice selected from courses available in school. (given below). The other three subjects are General English, and Common General Test and General Information Technology (GIT) which are compulsory.
2. Students who have not obtained the minimum requirements specified for A/L s will not be admitted to the A/L class.
3. Students who have failed **Math** are not permitted to do A/L' s at school.
4. To do **Commerce / Biological or Physical Science** in the **English medium** the student should possess an "**A**" Pass for **English** or should have studied in the English Medium.
5. To follow subjects in the **Biological or Physical Science Stream** for A/L's the students should have obtained:
For Biological Science - An "**A**" pass in science and at least a "**B**" pass in Math.
For Physical Science - An "**A**" pass for Math and at least a "**B**" pass for science
6. To follow the **Commerce Stream** at least a "**C**" Pass is required both in **Math and Business Studies**.
7. To study **Business Statistics** at least a "**B**" Pass is required in **Math**
8. To follow **Economics in the Arts Stream** (English/Sinhala) at least a "C" pass is required in **Math**.
9. To follow **ICT** at least a 'B' pass is required in **Math**.
10. If students wish to offer **English Literature** as a subject for A/Levels, they should have obtained an '**A**' Pass in **English Language** and a '**C**' Pass for **English Literature** (students who have not offered English Literature for O/L's will not be permitted to offer English Literature for A/L's).
11. Students are permitted to change subjects only during the **1st Term in the A/L class**.
12. Students are permitted to offer subjects privately, only if such subjects are not in the curriculum at school. However, at all times we prefer students to select subjects which are in the school curriculum.
13. If a student does not have 80% attendance specified by the Education Department, such a student will not be permitted to sit the last term test and the withdrawal exam conducted by the school.
